

HIRING NEW TALENT

- HUMAN RESOURCES IN HVACR

24 JUNE 2021**11:00-12:30H (GST)**

As part of the 2021 World Refrigeration Day campaign, Eurovent Middle East is hosting a webinar dedicated to human resources in the HVACR industry. The webinar is organised in cooperation with Careersbay.com and Climate Control Middle East and it will be hosted in a live panel discussion format.

The webinar will bring together experts from the HVACR and recruitment sectors, who will discuss aspects of human resources within the HVACR industry in the Middle East. The invited experts will address skill requirements, availability of industry-specific education, imbalances in salaries and empowering women in technical professions.

DISCUSSION POINTS

The individual discussion points include:

- What are the benefits of working in the HVACR industry?
- Working in the industry: What skill sets, levels and educational backgrounds are required?
- Why are there such big imbalances between technical and sales positions?
- 'Pay peanuts, get monkeys': Is the region losing out on great talents?
- Does the region offer enough education and incentives to take HVACR jobs?

Join us online on **24 June 2021 from 11:00h (GST)** for an informative exchange in form of an interactive live panel discussion. Registration is free of charge.

WORLD REFRIGERATION DAY

The event is organised as part of the 2021 World Refrigeration Day campaign. The theme of the 2021 World Refrigeration Day (WRD) is 'Cooling Champions: Cool Careers for a Better World'. The campaign will focus on careers in the refrigeration, air conditioning and heat pumps industry and its goal is to inspire students and young professionals – both men and women – in all countries, encouraging them to meet the challenges faced in their communities.
