/GREAT BALLROOM 1/**

REGISTRATION

**Register free-of-charge at
www.eurovent.me**

The non-commercial, free-of-charge seminars are spread across multiple workshops. In the Launch Event, Eurovent Middle East is going to focus on:

- Eurovent Middle East and its offers for consultants
- Core issues such as Life Cycle Costs (LCC), Indoor Air Quality (IAQ), energy efficiency and refrigerants
- Certification: How to make best use of certified products while understanding differences between various certification marks and labels

Consultants are also invited to participate in a panel discussion, which is going to focus on:

- The consultants' role at the interface between building performance, price pressure and expectations from project developers, contractors and manufacturers
- From a good plan to a bad instalment: Factors influencing the results of the work of consultants
- Options for a partnership: What can manufacturers do to support the work of consultants?

All workshops are developed keeping the specific requirements of MEP and local engineering consultants in mind, which are playing an active role in the workshop discussions.

Register now and become part of the 'HVACR Consultant Leadership Workshops' launch event. Join us at LeMeridien Dubai Hotel & Conference Centre on 25 September 2017 as of 17:00h and join around 200 colleagues and industry leaders for an informative evening with plenty of networking opportunities.

All registered participants receive an official attendance certificate from Eurovent Middle East for their credentials.

AGENDA (TENTATIVE)

| TIME | ITEM | SPEAKERS |
|-------------|--|--|
| 17:00-18:00 | Registration / Opening reception | |
| | WORKSHOP INTRODUCTION | |
| 18:00-18:10 | Welcome remarks by the Eurovent Middle East Chairman | Mr Brian Suggitt Chairman Eurovent Middle East (Dubai, UAE) |
| 18:10-18:20 | Short introduction to Eurovent Middle East and related organisations | Mr Markus Lattner Director Eurovent Middle East (Dubai, UAE) |
| 18:20-18:45 | Keynote speech: HVACR 2030 – Where is our sector heading towards? This presentation provides consultants with an overview on current and future issues that are shaping the HVACR sector. Among other things, Mr Schmelzer is going to elaborate on how issues such as Life Cycle Costs (LCC), Indoor Air Quality (IAQ), and Building information Modeling (BIM) are changing the way we think about HVACR. | Mr Morten Schmelzer Executive Director Eurovent Association (Brussels, Belgium) |
| | CONSULTANT WORKSHOP | |
| 18:45-19:45 | Understanding certification and labelling As one of the leading experts in this field worldwide, Mr Foucherot is going to provide an in-depth introduction to certification, labelling and what it involves. Among other things, he is outlining the benefits of certification and what to take into consideration when relying on it. He will also offer an introduction to 'Eurovent Certified Performance' tailor-made for local engineering and MEP consultants. | Mr Eric Foucherot Senior International Affairs Manager Eurovent Certita Certification (Paris, France) |
| 19:45-20:00 | Introduction to the upcoming HVACR Consultant Leadership Workshops by Eurovent Middle East A core focus will be put on Indoor Air Quality (IAQ), sustainable refrigeration, energy efficiency, and ventilation technologies. | Mr Markus Lattner Director Eurovent Middle East (Dubai, UAE) |
| 20:00-20:45 | Moderated panel discussion and exchange: What are the interests and concerns of local engineering and MEP consultants? Panelists: Mr Michel Farah (Eurovent Middle East) • Mr Gary Williams (AESG) • Mr B Surendar (CCME) • Mr Eric Foucherot (Eurovent Certita Certification) • Consultants TBA | Moderator: Mr Markus Lattner Director Eurovent Middle East (Dubai, UAE) |
| 20:45-21:00 | Closing remarks by the Chairman | Mr Brian Suggitt Chairman Eurovent Middle East (Dubai, UAE) |
| 21:00 | Buffet dinner and networking | |

ORGANISER

Eurovent Middle East is the representative of Eurovent members based in and/or active in the Middle East region and a subdivision of Europe's leading HVACR sector association Eurovent.

Its participants constitute leading manufacturers of Indoor Climate (HVAC), Process Cooling, Food Cold Chain, and Industrial Ventilation Technologies, as well as sector associations and national industry initiatives active in this field. By thinking 'Beyond HVACR', contributing organisations fulfil highest requirements in terms of product quality and sustainability.

They are united in their aim to work towards a lower energy demand, an improved food safety, and a better indoor air quality in the Middle East. Together, they employ thousands of people locally, supporting a more diversified economy throughout countries in the region.
